

Direct Vehicle Imports from Japan

Import Process Step by Step :-

1. Tell Us Your Dream Vehicle

- You share the exact model you want

2. We Guide You With Expertise

- We explain:
- Available **Grades**
- Key **Options & Features**
- **Estimated Total Cost**

So you clearly understand what you're getting.

3. Choose Your Preferred Model & Grade

- Once you decide, we move to the buying stage with full transparency.

4. You Get Two Smart Buying Options

- ◆ **Option 1: Auction Bidding**
 - Vehicle is selected from a live Japanese auction
 - **Price & options can vary** depending on competition
 - Best for customers who want the **lowest possible price**
 - **Auction Sheet** Available
- ◆ **Option 2: Fixed-Price Market Purchase As One Price**
 - Vehicle bought directly from the Japanese market before auctioning.
 - **Price does NOT change**
 - Your required **options & features are already included**
 - Best for those who want **certainty & exact specifications**
 - **Auction Sheet** Available

5. Choose Your LC Method

- You can:
- **Open a Personal LC under your name, or**
- **Open an LC through us**
(Refer to our **Pre-Requirements Guide** before starting.)

6. Receive the Performa Invoice

- After submitting all details, our Japan Partner will issue the **Performa Invoice** for your selected vehicle
— usually within **the first week**.

7. Open the LC

- Open the LC with your bank using the **total amount** mentioned in the invoice(10-15 Days)

8. LC Documents Sent to Japan

- Once the LC is opened, we forward the LC documents to our Japan Agent to begin the next steps.

9. Shipment Preparation Begins

- Our Japan Agent will:(15-20 Days)

- Close the vehicle registration
- Prepare **JAAI / JEVIC Inspection Certificate**
- Find the **next available shipment** to Hambantota
- List the vehicle for export

10. Export Documentation & Freight

- All required export documents are completed and sent to the **LC-opening bank in Sri Lanka** via freight.

11. Vessel Departure & Tracking

- Once the ship leaves Japan, you will receive:
 - Vessel name
 - Tracking details
 - Estimated arrival date to **Hambantota Port** (Usually **11–25 days at sea**)

12. Pay VAT & Customs Duty

- When the documents arrive at your bank, the next step is paying **VAT + Duty** to Sri Lanka Customs.

13. Port Procedures

- When the ship arrives:(10-15 Days)
 - Collect the **Bill of Lading** from the freight agency
 - Proceed to clear the vehicle from Hambantota Port
 - Pass through **HIPG Gate**

14. Final Step – Delivery!

- After clearing and checking the vehicle, it will be **ready for delivery** to you.
